Hill's Book of Evergreens

Price, \$3.50 each (Postage Paid)

Here at last is an authentic and complete book on the subject of Evergreens written in non-technical language by America's largest and oldest Evergreen Nursery, with a background of 80 years specializing in Evergreens. 320 pages with 45 pictures in natural colors, 335 illustrations in all. There are 50 chapters dealing in complete detail with every phase of the subject.

Evergreens in Geology, Folk Lore, History and Poetry.

Seed collecting, propagation, soil fertilizer, pruning, transplanting, etc., all fully illustrated and written so that you can understand it.

Chapters on landscaping, showing how to select and plant Evergreens for foundations, rock gardens, hedges and in fact every possible use of Evergreens.

Complete information on diseases, spraying and general care of Evergreens.

Extensive descriptions and pictures of all leading ornamental Evergreens.

A complete check list of all Evergreens known to be in cultivation within the United States. This feature alone is worth the price of the book for reference.

☐ Please enter my order for.....copies of Hill's Book of Evergreens at \$3.50 each.

THE JAPANESE YEW

The Hill Nursery is headquarters for Japanese Yews in the Middle West. We have available for spring 1940, 17,000 Japanese Yews in sizes for landscape work, made up in 7 of the outstanding popular varieties. When purchased in 25 lots, giving advantage of the 100 rate, the present price on Yews will permit nurserymen and landscape gardeners to obtain their supply at the lowest market price for stock of similar quality. We urge early purchase of Yews as the demand in recent years has far exceeded the supply.
